

MUNICIPAL DISTRICT No. 87

4 March 2010

Please be advised that due to the warmer weather trends over the last few weeks and the forecast of warmer weather in the coming weeks Road Bans within the Municipal District of Bonnyville No. 87 will be implemented as of Monday, the 15th of March 2010.

Should the weather change drastically we may review this decision at that time but for the time being we are assessing our roads on a day by day basis.
