RULES & REGULATIONS

To ensure your stay with us is as enjoyable as possible, Cold Lake M.D. Campground has established several guidelines to ensure safe and responsible camping.

- Between the hours of **11 P.M. and 7 A.M.** there is a **ZERO TOLERANCE POLICY** in regards to loud music, excessive partying and noise. Please respect your fellow campers during this period. The campground's access gates are also closed during this time. Registered park campers are expected to inform their guests of these hours and promote timely departures. For after hours emergencies, the caretaker can be reached at the Campground Office (780.639.4121).

- The campground shower house is open from 7 a.m. to 11 p.m. Registered campers will be provided with an entrance code to access the building. The showers are coin operated (\$1 and \$2 dollar coins only). The facility is closed between 1-2 p.m. daily for cleaning.

- The swimming and playground areas are NOT supervised. Use at your own risk.

- Secure all valuables. The M.D. of Bonnyville is not responsible for any loss or damage of personal or private property.

- The laundry facility is open from 7 a.m. - 9 p.m. and houses coin operated washers and dryers. Soap and softener are available at the park office.

- All dogs must be leashed AT ALL TIMES. Dogs are not allowed on the beach or inside the shower house AT ANY TIME.

- The speed limit in the park is 20 km/hr.

- Only motor vehicles licensed for highway usage may be operated within the campground. ATVs are prohibited.

- Park guests are expected to maintain clean sites. Please use the garbage bins for waste - not the fire pits.

- Unless your site is large enough to accommodate additional vehicles, please park in the designated areas - not on the road or grass.

- Alcohol is not allowed off of your assigned campsite.
