Hamlet/Community Roadside Cleanups Policy

5B.002

Section: 5.0 Environmental and Protective Services
- B. Waste Services

Authority: General Manager of Environmental and Protective Services

Statement

The Municipal District of Bonnyville (M.D.) will encourage and support roadside clean-up within the municipality.

Purpose

To enhance the appearance of the road network within the municipality.

Policy

- (1) Administration shall budget funds annually for roadside clean-ups.
- (2) To apply, each interested group shall forward a letter to the M.D. requesting approval to conduct a clean-up. Each request must include a map of the area to be cleaned.
- (3) Applications must be approved by the General Manager of Environmental and Protective Services (or his designate) prior to the commencement of the clean-up.
- (4) Rates for clean-up have been set by Council as per *Attachment A*.
- (5) Upon completion of the clean-up, the applicants must contact the General Manager of Environmental and Protective Services (or his designate) to ensure that the area has been properly cleaned.
- (6) Once the clean-up has been completed and verified, the M.D. will process payment to the applicant.
