

Corporate Services

The Corporate Services Department includes the Finance, Human Resources, Administration (assessment and customer service) and Information Technology departments

 The Finance department is responsible for the management of the financial affairs of the municipality including:

-  Accounts Payable Processing
-  Accounts Receivable
-  Budgeting
-  Financial Reporting
-  Treasury management of approximately \$130 million to maximise returns
-  Payroll

 The Administration department is responsible for customer service, property assessment and taxation.

 Assessors determine the property values for residential, farmland, commercial and industrial properties and co-ordinates the receipt of assessment values for linear and designated industrial properties from the province.

 The Administration department is also responsible for the insurance of all municipal assets and managing an insurance that sustains the Municipality's ability to deliver services to its residents.

2021 Draft Expenses \$155,722,660.00
